

Keep your finger on the pulse

Demo is on the go, but I need keep my finger on pulse to make sure I know the how business is performing at anytime.

我总是忙个不停，但是我需要每时每刻了解业务进展。

Competition is beating on our door. So I have to moderate efficiency make quickly, highly, informal decisions.

竞争愈演愈烈，所以我不得不监控企业效率，全盘掌握信息，迅速做出正确决策。

The less time I spend pulling over spreadsheet going through number the better, showing to me in one PowerPoint, keep it simple.

我花费在展开电子表格去看数据的时间越少越好，我只要一份 PowerPoint，简单是最好的。

Thanks Xcelsius 2008, I have real-time access to all our company data on one dashboard.

多亏了 Xcelsius2008，我只需通过一个仪表盘就能随时看到我们公司的所有数据。

Look at this, click the button; I can review past, present and future sales.

看这个，只要轻轻一点，我就可以回顾过去，观察现在和展望未来的销售。

Xcelsius show us fast sales and current order from our financial system. Also I am obtaining collect our forecast from our CERM, too. Actually, I shouldn't share that with you, now, it's up. Click other links to learn more.

Xcelsius 可从我们的财务系统中显示热销和现有订单，还可以从我们的客户关系管理工具中获取预测信息。实际上，我不确定是否应和你们分享更多，就这样吧。点击其他链接获取更多信息吧。
