

Price List for SAP Integration Services based on SAP NetWeaver™

(provided by ICC Palo Alto / US: icc-americas@sap.com)

SAP NetWeaver™ is a consolidated integration and development platform for solutions from SAP, SAP customers, system integrators (SIs) and independent software vendors (ISVs). Pricing and general information about integration services provided by the SAP Integration und Certification Centers (ICCs) are listed in this document. These services are rendered to SIs and ISVs with regard to their standardized product integration with SAP NetWeaver. They are divided into three sections:

- [“Certified for SAP NetWeaver™”](#) – extending functionality of SAP NetWeaver
- [“Powered by SAPNetWeaver™”](#) – fully leveraging SAP NetWeaver as application and integration platform
- [Complementary Services](#)

Current prices are including **limited time offers until 31 December 2005** based on the ongoing SAP NetWeaver promotion and are subject to change at SAP’s sole discretion. ICC services for a particular third-party product can be requested online at www.sap.com/partners/apply (please select “interface certification”).

Details concerning integration of third-party software products in general, i.e. SAP-endorsed integration technologies, SAP-defined and third-party defined integration scenarios, and interface certification are available at: www.sdn.sap.com/sdn/icc.sdn.
