

Crystal Enterprise 10

Documentation supplement of post-release notes, corrections and updates

Overview

This supplement contains a list of Crystal Enterprise 10 products and their associated documentation. This supplement is intended to collate any errors that have been inadvertently included in our products' documentation. Refer to this as a post-release supplement to the documentation that ships with our products.

This supplement will be updated intermittently when Business Objects Customer Support is notified of required updates and known errors to product documentation.

Introduction

Refer to the product and the file title of the associated documentation to find any known errors that have been reported.

Crystal Enterprise 10

Correction 1

File title:

Crystal Enterprise 10 Installation Guide

File name:

Install.pdf

Navigation:

Section	Headings
Chapter 4	Installing Crystal Enterprise on UNIX
Major Heading	Deploying the Crystal Enterprise web desktop
Subheading (document page number 82)	To deploy the Crystal Enterprise Launchpads on IBM WebSpheres

Original text:

2 Install the Crystal Enterprise User Launchpad as a new application. Use the .war file found at `crystal_root/enterprise/java/applications/desktop.war`, and set the context root to `/crystal/enterprise/desktoplaunch`

Correction:

2 Install the Crystal Enterprise User Launchpad as a new application. Use the .war file found at `crystal_root/enterprise/java/applications/desktop.war`, and set the context root to `/crystal/enterprise10/desktoplaunch`

Correction 2

File titles:

Crystal Enterprise 10 Administrator's Guide (for UNIX), DataDirect Connect for ODBC Reference

File names:

Admin.pdf, Odbcref.pdf

Navigation:

Search for ".odbc.ini" within the documentation.

Original text:

.odbc.ini

Correction:

odbc.ini

Additional Comments:

Notice that the correction does not include a period (.) that precedes the INI file name. The file, odbc.ini, is located in the following folder:

\$INSTALL_ROOT/crystal

Related article:

Refer to the knowledge base article, c2014802, on our support site for related information on this correction.

Crystal Reports 10

Documentation errors for this product are currently not available.

File title:

What is the file title in which the error was discovered?

Navigation:

What are the relevant major headings to navigate to the location of the error? Also, include the page number if this is published in the PDF format, too.

Original text:

What is currently stated in the document?

Correction:

What is the correct statement?

Additional Comments:

Not required, however, if there are additional comments, then this is where to state them.

Adapt Track ID:

Record this information if it has been assigned an is an ADAPT Track as "Documentation Error".
